## About the Jewish General Hospital

Now in its 78th year of providing *Care for All*, the Jewish General Hospital has been a mainstay of superior medical treatment for many generations of patients from all backgrounds in Montreal, throughout Quebec and beyond. Drawing on its expertise and experience as one of the province's largest and busiest acute-care hospitals, the JGH is committed to improving the level of care for all Quebecers through close collaboration with the government and its healthcare network. Year after year, the Jewish General Hospital reaffirms its commitment to ensuring that patients receive care of the highest quality in a clean, safe environment. The JGH is able to deliver these pioneering and innovative services by strengthening its role as a McGill University teaching hospital, expanding and upgrading its facilities, and pursuing cutting-edge studies at the Lady Davis Institute for Medical Research.
